Superfund/Technical Reports

Mr. del Rosario:

On March 30, 2015, the Illinois Environmental Protection Agency (Illinois EPA) accessed Natural Resource Technology's Sharefile website and electronically retrieved the *Focused Feasibility Study Report, North Shore Gas Company, Former Waukegan South Plant MGP Site, Waukegan, Illinois, project No: 1983, Revision 2* [FFS]. The document was prepared by Natural Resource Technology, Inc. on behalf of Integrys Business Support, LLC (IBS). Responses to Illinois EPA's comments on the previous iteration of the FFS were included in the cover e-mail Sharefile notification. Illinois EPA reviewed the responses to its comments and finds them to be acceptable. We have no additional comments on the South Plant FFS Revision 2.

Should you have any questions regarding this letter, please do not hesitate to contact me at 217/785-7728 or by e-mail at Paul.Lake@illinois.gov.

Sincerely,
